BUYERS GUIDE

IMPORTANT: Spoken promises are difficult to enforce. Ask the dealer to put all promises in writing. Keep this form.

Ford E450 2007 1FDXE45S97DA76042
VEHICLE MAKE MODEL YEAR VIN NUMBER

EL6041M
DEALER STOCK NUMBER (Optional)

WARRANTIES FOR THIS VEHICLE:

AS IS - NO WARRANTY

YOU WILL PAY ALL COSTS FOR ANY REPAIRS. The dealer assumes no responsibility for any repairs regardless of any oral statements about the vehicle.

N/A WARRANTY

FULL LIMITED WARRANTY. The dealer will pay 0 % of the labor and 0 % of the parts for the covered systems that fail during the warranty period. Ask the dealer for a copy of the warranty document for a full explanation of warranty coverage, exclusions, and the dealer's repair obligations. Under state law, "implied warranties" may give you even more rights.

SYSTEMS COVERED:

----- NONE -----

DURATION:

----- N/A -----

SERVICE CONTRACT: A service contract is available at an extra charge on this vehicle. Ask for details as to coverage, deductible, price, and exclusions. If you buy a service contract within 90 days of the time of sale, state law "implied warranties" may give you additional rights.

PRE-PURCHASE INSPECTION: ASK THE DEALER IF YOU MAY HAVE THIS VEHICLE INSPECTED BY YOUR MECHANIC EITHER ON OR OFF THE LOT.

SEE THE BACK OF THIS FORM for important additional information, including a list of some major defects that may occur in used motor vehicles.

SEE THE BACK OF THIS FORM for important additional information, including a list of some major defects that may occur in used motor vehicles.

The Process

During its rental life, a U-Haul truck must undergo a detailed preventive maintenance (PM) service at 5,000 mile intervals. We have also implemented 15,000 and 30,000 mile PM service while continuing with the 5,000 servicing, to further ensure your safety.

How We Regulate the Program

U-Haul uses a pre-inspection program to ensure appropriate system diagnostics and appropriate inspections are performed for each truck in a timely manner. When minor repairs are needed and the repair does not warrant introduction the truck into the entire repair process, a Level 1 inspection is performed and the truck is repaired. Level 2 and Level 3 inspections are diagnostic maintenance inspections and are completed by professional U-Haul Team Mechanics. Level 2 and Level 3 inspections are performed through regularly scheduled intervals to ensure appropriate vehicle maintenance.

Maintenance History

Date	Description	Mileage
9/20/2007	5k mile inspection and service	5,801
